Rainforest Nest

Dear guest,
we are so happy to welcome you to our little nest, one of the most magical places in Sri Lanka. Here, mornings arrive with bird songs, mist rolls over the rice fields and nature surrounds you in every moment.

Thank you for choosing to stay with us. We hope you will feel at home.

📍 Our home in the forest

Rainforest Nest is a family owned eco lodge, located in the legendary **Sinharaja Rainforest,** Sri Lanka's last tropical UNESCO protected rainforest.

Our lodge offers:

- 2 private bungalows
- 1 family room (2 double bed)
- 1 double room

All with amazing views over our rice field.

About Sinharaja Rainforest

Sinharaja means “Lion King” — a forest famous for:

- Misty jungle mountains
- Waterfalls and winding nature trails
- Endemic species found nowhere else in the world
- Incredible birdlife like the Ceylon Blue Magpie, owls, hornbills & more

The rainforest is home to:

- Unique reptiles, butterflies, frogs & birds
- Rare & endangered plant species
- A priceless natural ecosystem, preserved for generations

At Rainforest Nest, you are staying in the middle of this living habitat, peacefully connected to it.

Dining at Rainforest Nest

Meet Umesha, the boss of the kitchen

She prepares:

- Fresh homemade breakfast
- Delicious selection of rice & curry
- Most products are directly from local farmers and bought seasonally & fresh

Our food philosophy is simple:
Fresh ingredients. Local hands.
Home-cooked with heart.
